

CAPABILITIES STATEMENT

Wisdom Tree Technologies (WTT) provides staffing, recruiting, and training solutions; full-spectrum IT support; consultation in a broad range of technology disciplines; surveillance, and intelligence analysis.

Our services prepare businesses for the future by equipping them for all contingencies, staffing with confident and competent personnel, and most importantly, imparting the wisdom required to outperform the competition.

CORE COMPETENCIES

- Full-Scale Information Technology Services
- App and Web Development
- Wide-Area Persistent Surveillance
- Intelligence Analysis and Operations
- Professional Training and Recruiting
- Professional Administrative Services
- Scientific and Technical Consulting
- Mental Health and Substance Abuse Services
- Dietary Health Services

Contract Performance

WTT serves the IT/Telecom Industries, National Defense, Law Enforcement, National Security, Special Operations, Inter-Agency, Intelligence, Veteran Services, and Veteran Healthcare Communities.

- **US Army Information Technology (IT):** IT services that assist and support the U.S. Army's mission to provide administrative support for the US Army Recruiting Command (USAREC) Signal Operations (G6) at Fort Knox, KY.
- **VetLyfe:** is a digital platform designed to facilitate shared pro-social local experiences among Veterans and provide access to existing VA and non-VA Veteran resources and content. The experience of using the platform will be simple and intuitive to access and use. With most Veteran users, even those with impairments, being able to accomplish their goal of finding and registering for an event the first time they try.
- **Army Recruiting Command (USAREC):** Provide qualified contractor personnel to perform administrative clerical support duties at 96 U.S. locations in support of the Army recruiting mission at Fort Knox, KY.
- **Occupational Health Case Management:** Maintain employee occupational health records, identify problems through surveillance and preventative measures and improving wellness. Provide information about preventive and protective measures. Build, sustain, restore, and enhance medical well being of Kentucky Army's National Guard Soldiers.
- **123rd Special Tactics Squadron at Louisville's International Airport:** Provide professional administrative support to military units. Scheduling, organization, and customer support.

What Customers are Saying

"Wisdom Tree's Expertise and hard work is greatly appreciated on all fronts and is reflected by the appreciation of the Command leadership. We are fortunate to have this level of dedication..." **US Army Fort Knox**

"Great job on this, I also want to thank Wisdom Tree for always being there for the recruiters as you all are." **DoD Project Manager**

"Wisdom Tree is awarded a Coin of Excellence for their diligence in support of the Recruiting & Retention School (RRS). Their expertise and hard work is greatly appreciated on all fronts and is reflected by the appreciation of the RRS leadership." **Recruiting and Retention School Commandant**

"This is one of the reasons my job is so wonderful here. The magnitude of these projects that Wisdom Tree has been assigned is in no way just limited to USAREC. We are fielding technology ahead of the Army to ensure an easy transition to our wonderful force." **USAREC CIO/G6**
